Hello -

Here is a link to the EPA web page containing presentations and handouts from the Bristol Bay intergovernmental technical team meeting you attended last week. The links are in the box on the right hand side of the page. If you use the links in the agenda, you will be able to see the materials in the order they were presented. Please let me know if you need assistance to view any of the materials.

I enjoyed the opportunity to meet each of you last week. Here is the contact information for all of the meeting attendees:

On behalf of the entire EPA Bristol Bay Watershed Assessment team, I'd like to thank you for taking the time to come to this meeting and share your thoughts, questions and honest perspectives about EPA's work.

Sincerely,

Judy
